SEYBERT, District Judge:

Upon review of the Report and Recommendation of Magistrate Judge Arlene R. Lindsay issued July 21, 2006 ("Report"), to which no party has objected, the Court hereby ADOPTS the Report in its entirety. Magistrate Judge Lindsay previously advised Select Aviation's president Perry Joseph that corporations are not permitted to proceed pro se, and warned him that a default judgment would enter should Select Aviation not retain counsel to defend this action. The docket sheet indicates that the Report was sent to Joseph via registered mail on July 21, 2006. The time for

filing objections has passed and no objection has been filed. Accordingly, the Court ADOPTS the Report in its entirety and GRANTS Plaintiff's motion for a default judgment against Defendant Select Aviation Corporation.
